

## Chants for Earth Awareness

### UNTITLED ("PLEIADES CHANT")

*Words by Anonymous/Unknown, Tune by Bone Blossom*

There's a part of the Sun in an apple;  
There's a part of the Moon in a rose;  
A part of the flaming Pleiades  
in every leaf that grows.

### CALLING ON THE SPIRITS

©1982 Charlie Murphy

Calling on the Spirits of the future  
Calling on the lifetimes yet to come  
Send courage to the present generation  
Help us find the strength to carry on.

Calling on the Spirits of the Ancients  
Calling on the Wise Ones of the past  
Illuminate the vision of the people  
Help us keep our feet upon the path.

Calling on the Guardians of the planet  
Calling on all people now alive  
With vision of the past and memory of the  
future  
Claiming our power to survive.

### MY WORDS ARE TIED IN ONE. . .

*Yukut (Northern California) Chant, Music by Nina Wise*

My words are tied in one with the great  
mountains,  
With the great rocks, with the great trees.  
In one with my body and my heart.  
Do you all help me, with supernatural power,  
And you, Day, and you, Night,  
All of you see me one with this world.
